Sterling Vineyards This is an extremely romantic winery that offers a gondola ride and spectacular views of the Alexander Valley vineyards and beyond. Not to mention a wide array of top-notch wines. Unfortunately, the winery is unable to offer its space for weddings, but your bridal party would surely enjoy a tour and tasting. A membership in their wine club makes a marvelous gift. 1111 Dunawear Lane, Calistoga sterlingvineyards.com (800) 726-6136

Lavender Hill Spa This tiny, tranquil, and very romantic garden spa in Calistoga, designed for couples, also offers spa treatments for singles and friends. Call in advance to make a reservation. 1015 Foothill Boulevard (Hwy 29) lavenderhillspa.com (707) 942-4495 or (800) 528-4772

The Cottages of Napa Valley According to Wine Spectator magazine, the Cottages of Napa Valley offer "intimacy and comfort in a charming setting . . . amenities are top-notch . . . it's also among the most romantic and relaxed settings in Napa Valley." I absolutely love these quaint, private cottages located just minutes from the wineries. Breakfast baskets are delivered to your front porch each morning from Bouchon Bakery, and the cottages include lots of wonderful amenities. Best of all, there's a gazebo under the pines for intimate wedding parties of up to 30 guests. 1012 Darms Lane, Napa napacottages.com (707) 252-7810
